JOHN PARKER,

WILL DISPOSE OF,

(At private Sale)

HIS PLANTATION;

PLEASANTLY situated on the Head of Goose-Creek, fixteen Miles from Charles-Town, fix from the Village of Dorchester, and about two from a Landing. It is fo well known as to render any pompous Defcription or Recommendation altogether unneceffary, farther than it is eſteemed, by competent Judges, inferior to very few Plantations in the Province. The Goodneſs of the Buildings, as well as of the Land, and its Vicinity to the Metropolis, are undoubtedly very conſiderable Advantages, and add greatly to its Value. This Tract, which joins Lands of John Ainſlie, Eſqr; the Heirs of Sarah Elmes, Iſaac Godin, Alexander Fraſer, Eſqr's. Major John Moultrie, Heirs of Thomas Bulline and Mrs. Harvey (late Charles Barker's) is ſuppoſed to contain about One Thouſand Five Hundred Acres, but will be ſold for One Thouſand Three Hundred Acres, more or leſs; about 250 Acres of which is Rice Land, which generally produces from two Barrels and an Half to three Barrels per Acre (very bad Years only excepted): Full 400 Acres prime Corn Land, which, by being properly drained, would produce either Indico, Hemp, or Madder. The Neighbourhood is excelled by none, and would be a very agreeable Summer's Retreat, as well as a Place of Profit, for a Gentleman of Fortune.

A L S O,

HIS HOUSE and LOT in St. Philip's, Charles-Town, containing in Front Seventy-ſeven Feet and an Half on Old Church or Meeting-Street, and about One Hundred and Ninety-five on a Street that leads from the Governor's Bridge and Mr. Raper's, called Pinckney's Street. On this Lot there is a cool, well-finiſhed Houſe, 23 Feet by 46, built of the beſt Materials, with Kitchen, Waſh-Houſe, Stable, Coach-Houſe, &c. The Cellar to the Dwelling-Houſe is above ſeven Feet in the Clear, all paved, and the Yard and Garden ſufficiently large, on which there is Room to erect two other Buildings, which may be done to great Advantage, by any Perſons who chuſe to make the moſt of their Money in that Way. The Terms of Payment, as the Money is not wanted, will be made agreeable to the Purchaſer. For further Particulars, apply to the Proprietor.

Who will diſpoſe of ALL his SLAVES, as ſoon as his Plantation is ſold (not before) and Poſſeſſion of the Premiſes may be had the firſt Day of July next, provided the Purchaſer take the Crop now on the Land, Stock, &c. otherwiſe not before the firſt of February next. The Houſe and Lot will be given up immediately.

N. B. The above Plantation will bear dividing, ſo as to have 80 Acres of Swamp in one Tract, with at leaſt 100 Acres of good High Land, Pine Barren, &c. All the Reſt of the Tract will go with the Buildings, if the Purchaſer chooſes it; or if more agreeable, a ſmall Tract only of about 140 Acres, ſeparate from the other, and purchaſed ſome Years ſince, will be taken off, and a proper Deduction made from the Price of the Whole.

ALSO FOR SALE,

A LANDAU, with Harneſs for four Horſes, not heavier than Coaches commonly are.——A light neat PHAETON, and a Pair of likely Bay CHARIOT HORSES, fourteen Hands and an Half high, which likewiſe anſwer well for the Saddle.

To be SOLD *at private Sale, the following TRACTS OF LAND, viz.*

FIVE HUNDRED Acres, about 30 or 40 of which is good Tide-Swamp, the remainder Pine-Barren, well timbered, lying on the weſt ſide of Black-River, within 8 miles of George Town.

Six Hundred Acres of Pine-Barren, alſo on the ſame ſide of Black-River, and about 12 miles from George-Town.

One Thouſand Acres on Simpſon's Creek, one half of which is ſwamp, with ſome large Iſlands therein very fit for indico; the remaining half contains ſome good high land fit alſo for indico, and is well ſtock'd with timber and lightwood. This tract would do very well for two ſettlements, either for rice or indico, and is within 4 miles of a landing on Waccamaw-River.

Five Hundred Acres on Great-Pedee River, nearly the whole of which is good high ſwamp, a ſmall part being high land and convenient for buildings, &c. and about 35 miles from George-Town. The Pedee ſwamps are ſo well known to be fit for the culture of indico, that they need no encomiums.

Plats of any of the above lands may be ſeen in the hands of Doct. William Fyffe in George-Town, to whom apply for particulars, or to me in Charles-Town.

CHARLES-TOWN, MAY 23.

BY Captain Curling, juſt arrived from Lond we are informed, that, on the 26th of March Alderman OLIVER, and on the 28th the R Hon. the LORD MAYOR of that City, were c mitted to the Tower; for having preſume diſpute the Legality of the Houſe of Comm by their Meſſengers, taking into Cuſtody certain Printers Publiſhers, who had laid before the Public the Proceedin the Houſe during its Sitting.—We alſo learn, by Capt. Cur that His Majeſty has been graciouſly pleaſed to appoint the I JOHN MOULTRIE, Eſq; Preſident of the Council in I Florida, to be Lieutenant-Governor of that Province.

His Excellency Governor TRYON, of North-Carolina hear, was to be at Hillſborough as laſt Wedneſday, wit Army of 2000 Men, and a Train of Artillery; to reduc People called Regulators in Orange County, who are ſaid now very quietly planting their Corn, &c.

The General Gazette of laſt Week (being the moſt na Channel) is full of Addreſſes to His Excellency Governor G of Eaſt-Florida, who is gone Home in the Sandwich Packet-Boat.—The ſame Paper, of this Week, completes the E miums on that Governor's Adminiſtration.—The Govern having devolved to the Hon. John Moultrie, Eſq; Preſide the Council, an Addreſs has already been preſented to Gentleman, in the following Words, viz.

EAST-FLORIDA.

To the Honourable JOHN MOULTRIE, *Eſq; Preſident of His Majeſty's Council, and Commander in Chief in and over the ſaid Province.*

The humble ADDRESS of the Inhabitants of the Town of ST. AUGUSTINE, and Province aforeſaid.

May it pleaſe your Honour,

WE, His Majeſty's moſt dutiful and loyal Subjects, take this early Opportunity of congratulating you, on the Honour of preſiding over the Adminiſtration of this Province: And at the ſame Time avow our Hopes, that this Event will produce a *ſalutary Change* in Civil Policy.

The *wretched Condition* of the Country in general, and of the Town of St. Auguſtine in particular, loudly demand the utmoſt Exertion of the Conſtitutional Powers lodged in your Hands. And you may be aſſured, Sir, that nothing on the Part of the People, will be wanting, to ſupport your Efforts for the public Weal.

We cannot but obſerve, that infant Colonies always thrive beſt the nearer their Governments approach the popular Forms; becauſe, then every Individual will more immediately intereſt himſelf in the common Proſperity: From this Obſervation we conclude, that to convene the People, by *their Repreſentatives*, for the Purpoſes of Legiſlation, on a Plan ſimilar to that of our Mother-Country, is the moſt eligible Expeditient to *avert* our impending Ruin, and reverſe a Country now *depopulating*.

It is needleſs to enumerate the many Evils this Province hath, doth, and muſt, labour under, for Want of Laws, well adapted to its peculiar Circumſtances; becauſe we are fully convinced, that no Perſon can ſo well point them out, as the Gentleman placed at the Head of the Law, in whoſe Zeal, for the Public Good, we can ſafely rely.

Senſible as we are of the arduous Taſk you have undertaken, in the Government of a *deſpending* Colony, we cannot doubt your ready and aſſiduous Application of the moſt probable and effectual Means for its ſpeedy *Recovery*.

THOMAS POWELL,

At Mr. TIMOTHY's Printing-Office,

HAS JUST IMPORTED,

THE moſt effectual Medicine that has ever yet been offered to the Public, for the Cure of an inveterate Scurvy, Leproſy, and pimpled Faces, of ever ſo long Standing, ſo as never to return again: It alſo cures the Evil, Fiſtulas, Piles, old obſtinate Sores and Ulcers, long continued Inflammations in the Eyes, and all the vexatious Irritations and Itchings often found in the Piles.—It likewiſe purifies the Blood, and prevents malignant Humours of every Kind from being thrown upon the Lungs, &c.——As Proofs of the Efficacy of this Medicine, he has in his Poſſeſſion ſeveral Affidavits of Gentlemen of Probity and Rank, expreſſive of its Succeſs, in eradicating every Diſorder incident to the Human Body, proceeding from the Scurvy, or Foulneſs of the Blood; which, in general, are the principal Sources that feed moſt Diſorders which Mortals are afflicted with.——It is called,

Marchant's Anti-Scorbutic Drops.

For the preparing and vending of which, His Majeſty has been pleaſed to grant the Proprietor His Royal Letters Patent.

To the PUBLIC.

NOTWITHSTANDING the extraordinary Succeſs and Certainty attending the Uſe of theſe Drops, yet, according to the different Degrees of the Diſtemper, and the Age and Conſtitution of the Patients, the Quantity ſufficient to perfect a Cure greatly varies.

The Patient muſt not be alarmed, if, in taking the firſt Bottle, he finds himſelf to Appearance worſe; ſome Times it will happen ſo, ſome Times not: which is owing to their aſſiſting Nature in driving out any malignant Humour in the Blood; for in all ſcorbutic Caſes, not only the Blood is bad, but the whole human Frame is affected; the moſt pernicious Diſeaſes are produced, as Conſumptions, Rheumatiſms, Ulcers, &c. by a ſcorbutic Humour in the Blood; for if by Bleeding, Purging, Salivation, &c. Nature is ſo much weakened, as not to be able to diſcharge itſelf externally of any noxious Humour, it falls upon the warmer internal Parts, as the Lungs; if upon the Stomach, a bad Digeſtion, with Pains and Reachings to vomit, is produced; if upon the Liver, the moſt terrible bilious Complaints; if upon the lower Inteſtines, the moſt obſtinate Fiſtulas and Piles are brought on; if it affects the Glands, the Evil is the Conſequence, which is no more than an obſtinate Scurvy. In ſhort, the Scurvy, by bad Management, or if not corrected in Time, lays the Foundation of all chronic Diſeaſes. That theſe Drops will perfectly cure every Degree of this deſtructive Diſeaſe, is ſufficiently proved, by the great Number of remarkable Cures that have been performed by them.——It is neceſſary that every one who begins to take theſe Drops ſhould proceed to ſix or ſeven Bottles; by which Means they will be convinced, if ever ſo bad, that the Medicine will cure them, and that this (like moſt other publiſhed Medicines) is not an Impoſition.—If only a ſmall Complaint, they will be cured by that Number, which is but a trifling Expence, conſidering the Danger attending the Scurvy, which, if not taken Care of in Time, every Year increaſes, till it brings on thoſe dreadful Diſorders before-mentioned. Some who have only a few Pimples on the Skin, imagine a Doſe or two of Salts, or bathing in the Sea, will cure them, but in a little Time find themſelves deceived; nor, amongſt the Number of ſcorbutic Perſons, who have been cured by theſe excellent Drops, none of them have ever found the Sea Water of the leaſt Service, but rather prejudicial: But that and ſalivating are generally recommended as the laſt Reſource. As for Salivation, it is very ſeldom ſerviceable in the Scurvy, but rather confirms it, and at the ſame Time deſtroys the Patient, by undergoing ſo ſevere an Operation. Some may have taken a Bottle of Drops only, and finding themſelves not cured, have declined taking any more, probably ſuppoſing the Medicine would not cure them: It is therefore deſired, that thoſe who have not Reſolution to take three or four of theſe Bottles, by which they will be cured, or ſenſibly better, if ever ſo bad, will be ſo candid as to confeſs, that they have neither done Juſtice to themſelves, the Author, nor his Medicine.

N. B. Theſe Drops are ſold at TWO DOLLARS a Bottle (with printed Directions for uſing them) by T. POWELL only, Mr. NORTON having appointed him the ſole Vender of them in the Southern Colonies of AMERICA.

*** The Proprietor of the above Drops, was regularly brought up in the Practice of Surgery; has had a Diploma granted him by the Corporation of Surgeons in *London* (a Copy of which may be ſeen at the Printing-Office in Broad-Street)—and the Reputation of them is ſo well eſtabliſhed, both in England and Ireland, their good Effects having been daily experienced, in all Diſorders occaſioned by the Scurvy, that even Numbers of the Faculty have been induced to ſeek Relief from the known Virtues of this excellent Medicine.——They may be taken with Safety in all Seaſons, and require no Confinement.
